

Congregation Anshai Torah Men's Club

Membership Form for 5776-5777 / 2016-2017

As a member of our synagogue community we invite you to join the Congregation Anshai Torah Men's Club. Men's Club is an active and positive part of our shul.

Our goals are to strengthen the synagogue, enrich our members, and grow together as Jewish men. Men's Club provides a variety of programming. There is fun and fellowship like beer and scotch tastings, bowling, golf tournaments, and more. We offer service opportunities by building the synagogue's Sukkah, frying Hanukkah latkes, and volunteering at congregation events. We strive for personal development with programs focused on your health, finances, and family. Men's Club builds Jewish practice through education programs, participating in the annual World Wide Wrap and hosting Men's Club Shabbat.

Your programming ideas are always welcome; this is your Men's Club! Learn more about upcoming events and more – visit: www.anshaitorah.org/men's_club.php

Please complete this form and return it to Anshai Torah or any Men's Club event.

Name: _____
