

Congregation Anshai Torah Religious School

Dear Anshai Torah Religious School Students, Parents, Guardians, and Friends:

In Pirkei Avot (The Ethics of our Fathers) Ben Zoma teaches:

“Who is wise? One who learns from all persons, as it is written; ‘From all my teachers I have gained understanding’ (Psalm 119:99).”

Many different people can act as our teachers: School teachers, parents, friends, grandparents, camp counselors, coaches; everyone around us can be a teacher. We just have to open our minds and our hearts to being taught.

At Anshai Torah Religious School, our faculty of devoted and supportive individuals helps to nourish your Jewish soul. Our goal is to fill each class with imagination and vision, as we continue to offer you and your family the highest level of Jewish education.

It is with great pleasure and excitement that we open registration for the 2017-2018/5778 Anshai Torah Religious School year. **After discussions with many parents, we're thrilled to offer online registration for the first time!** Please follow this link to our registration form: www.tinyurl.com/atrs2017. An early bird discount of \$25 per registrant can be applied to registration forms received by June 30, 2017. Please use coupon code **earlybird2017** to receive the discount. We hope our new online forms ease the registration process for all families. If any issues arrive, please be in touch.

We have taken many steps to expand our program to meet all the needs of the different learners in our school. In order to embrace each child as an individual with a personal learning style, unique needs, challenges and opportunities, we have added several new questions to our registration forms. Please fill out all of the fields in each section. If you need to register more than one student, please click on the “Click here to add a student” button in the Student Information section.

As a school and a synagogue, we depend on your help. **Be a part of your children's education, not apart from your children's education.** We want you to share in their experience, as we are all students and teachers.

I look forward to all of us learning together in a meaningful way.

Be well,

Jason Cathcart
Director of Education
