

Preschool. . .The Anshai Torah Preschool Difference

The Anshai Torah Difference is made up of many things—excellent ratios, individualized attention, advanced peer mentoring, broadened social opportunities and plenty of opportunities for each child to shine. Our Hebrew language program is a wonderful example of all the aspects of Anshai in action. Throughout the course of the year, students come to Ms. Shellee in large and small groups to learn Hebrew. She has repeating curriculum that the children are able to build upon. They discover the holidays, community helpers, food, colors as well as prayers and mitzvot. By learning songs, dancing with instruments and responding to puppets, like our mitzvah man, each child has the opportunity to hear their voice in the safety and company of good friends. On Friday March 4th, we celebrated our Hebrew knowledge with a series of songs. During the performance, each of our mixed-age Pre-K students addressed the audience, wishing their many friends and relatives “Boker Tov.” My favorite was “Boker Tov Ema, Aba, Torah, Saba, Safta, Kehlev, Yelladeem and cats too!” Many hours go into a 20 minutes show, and the process helps students to feel comfortable in front of an audience. It is a boost to their self-esteem that will build and stay with them throughout their lives. This program is just one of the many perks of attending Anshai Torah. Thank you to Ms. Shellee for an impressive showing of our Preschool Hebrew expertise.
