

Preschool. . .The Anshai Torah Preschool Difference

We have had a marvelous start to school. Over the last few weeks, I have seen dynamic play and inquiry based programming in the classroom as well as excited participation in our myriad of specialty classes. I am fortunate to begin 5777 in an environment of love and respect. This is demonstrated to me every week in my group and weekly conversations with the staff. It is evident what is important to all the Anshai staff. First and foremost it is the children, as a class and as individuals. It is a gift to be able to place a child into this level of individualized care- emotionally, socially and academically. We strive to unwrap each child separately with attention and care. We cherish each moment with your child. Thank you for accepting Congregation Anshai Torah as an extension of your Jewish home. Everyone is welcome to join us in Preschool and across the many Early Childhood programs throughout the year.

Thank you for sharing your children with us,

Rachel
