

# The Anshai Torah Preschool Difference

An Ode to The Preschool Tu B'shevat Open House

At 5:30 the 31<sup>st</sup> of January

Our families participated in many of the activities that make us extraordinary

Tu B'shevat was the theme of our excitement  
Fantastic options made it difficult to tame the delight-ment

We met in our rooms because that's where we flourish  
Hebrew, Art and Movement enhanced our holiday exploring

In the downstairs' classrooms, we sampled dried fruits and planted vegetables  
While upstairs we gave birthday parties, orange juicing and taste testables

It was a great night for all, celebrating Tu B'shevat  
Maybe next time you can join us for a Tot Shabbat

If you missed the open house, we are awaiting your call  
Just ask for Rachel because we are ready to welcome y'all
