

We started off the year with a bang! Our Halutzim group spent a fun afternoon building model Sukkahs and doing some fun fall themed arts and crafts. Our Kadima and USY started the year with an always fun Pinstack outing. Mark your calendars for October 20, as we will have an overnight for Kadima and USY at the shul. October 28 is our next Halutzim event — details to come. On November 16-18, we will be spending the weekend at the very popular CYJ! Teens and preteens from all over Texas will get together for our annual Kamp Kadima/Fall Kallah Convention. This is a great opportunity to make new friends from all Texas and Oklahoma. Applications are out. Contact David Kuchinsky at youthdirector@anshaitorah.org for more information.
